NOTES:

1. In view of the prevailing COVID-19 pandemic, the Government of India, Ministry of Corporate Affairs (“MCA”) allowed conducting Annual General Meeting through video conferencing (VC) or other audio-visual means (OAVM) without the physical presence of Members at a common venue. Accordingly, MCA issued Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020 (“MCA Circulars”), prescribing the procedures and manner of conducting the Annual General Meeting through VC/OAVM.

Securities and Exchange Board of India (“SEBI”) also vide its Circular dated May 12, 2020 (“SEBI Circular”), permitted holding of Annual General Meetings through VC/OAVM. In compliance with the applicable provisions of the Companies Act, 2013, MCA Circulars and applicable provisions of the SEBI Circular, the 27th Annual General Meeting (AGM) of the Members will be held through VC/ OAVM. Accordingly, the members can attend and participate in the AGM through VC/OAVM only. The venue of the Meeting shall be deemed to be the registered office of the Company.

2. Pursuant to the provisions of the Companies Act, 2013 (“the Act”), a Member who is entitled to attend and vote at the AGM is also entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this General Meeting is held through VC/OAVM the physical attendance of members is dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 113 of the Act, authorized representative of the Corporate Member(s) may be appointed for the purpose of participation in the 27thAGM through VC / OAVM and also for remote e-Voting during the 27th AGM.
3. No Route map has been sent along with this Notice of the Meeting as the meeting is held through VC/OAVM.
4. Members attending the Meeting through VC/OAVM will be counted for the purposes of reckoning of Quorum under Section 103 of the Companies Act, 2013.
5. In line with the MCA Circulars and the SEBI Circular, the Notice calling the AGM and the Annual Report 2019-20 has been uploaded on the website of the Company at www.ishandyes.com. The Notice and the Annual Report 2019-20 can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com
6. The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013, relating to the Special Business, if any to be transacted at the meeting is annexed hereto. The Board of Directors of the Company at its meeting held on 20th July, 2020 considered that the Special Business under Item No. 4 being considered unavoidable, be transacted at the 27th AGM of the Company.
7. Brief resume of Directors proposed to be appointed / re-appointed, nature of their expertise in specific functional areas, names of companies in which they hold directorships and memberships / chairmanships of Board Committees, shareholding and relationships between directors inter-se, etc. as required to be disclosed as per the Companies Act, 2013, Regulation 36 (3) the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Clause 1.2.5 of the Secretarial Standard on General Meetings (SS-2), are provided as Annexure 1 to this notice.
8. All documents referred to in the accompanying Notice and the Explanatory Statement have been uploaded on the website of the Company at www.ishandyes.com. All shareholders will be able to inspect all documents referred to in the Notice electronically without any fee from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to ishandyes@yahoo.com.
9. The Register of Members and the Share Transfer Books of the Company will remain closed from 29th August, 2020 to 04th September, 2020 (both days inclusive) in connection with the AGM and for determining the names of members eligible for Equity Dividend, if declared at the AGM.

10. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM.
11. Considering the difficulties caused due to the Covid-19 pandemic, MCA and SEBI have dispensed with the requirement of printing and sending physical copies of the Annual Report and the Notice of this Meeting, The Annual Reports together with the Notice of this meeting have been sent through registered email id to all those members who have registered their email ids with the Company or the Registrar and Transfer Agent or the Depositories or the Depository Participants as on Friday, July 24, 2020.
12. The dividend on Equity Shares, if declared at the AGM, subject to deduction of tax at source will be payable to those members:
 - (a) whose name appears as a Member in the Register of Members of the Company as on Friday, 28th August, 2020; and

3. PROSPECTS & DEVELOPMENTS:

As known to all of us presently the World is passing through unprecedented situation arisen due to COVID 2019 which has also started its spread in India since March 2020 and resulted into a prolonged period of lockdowns in our country also. Lockdowns in our country and also across the World's many Countries have impacted global trade and commerce thereby resulting into a loss of production and in general economic slowdown. COVID 2019 has resulted into various social and economic imbalances and impacts. The Management anticipates that the current financial year will be a year of uncertainties and volatilities together with general slowdown. Your Company is also not an exception from the impact of the present situation. However, the products of the Company are having multiple applications in various industries like paints, plastics, rubber, textiles, inks and various kind of coatings thereby the business operations of the Company are likely to remain much protected and insulated from the overall envisaged slow down and thereby having lower economic impact.

As a proactive measures the Management of the Company has implemented various cost savings measures and also improving operational efficiencies and capacity enhancement with a view to reduce overall cost of

operations and also to protect and improve the margins. The Company has already developed sound export market and also established good customers' base which in turn will help to drive the growth during coming years for the benefits of the Company. Barring unforeseen circumstances, the Management is confident of maintaining its performance during the coming year. The Management is also working on various expansion plans and opportunities to diversify for creating value chain of business.

The Company operates in a competitive business environment and besides prevailing COVID 2019 situation impacting the global businesses and economies, the key challenge areas are ecology and allied regulatory compliances, commodity and petro-products price volatility, foreign currency fluctuations, inflationary pressure on operational costs, large working capital need, skilled manpower availability etc. The Management of the Company is working with a proactive approach to meet challenges and cater opportunities with an aim to enhance stakeholder's value. The Management of the Company is actively working on growth plans which includes further expanding export business; add new ranges and products to create a basket of products for catering customer needs and also to create value addition in present product portfolio with a view to increase revenues and margin for the Company.

4. CHANGE IN NATURE OF BUSINESS, IF ANY:

11. IMPACT OF NOVEL COVID-19 PANDEMIC:

The production facility of the Company remained closed for about one month due to nationwide lock down announced in the last week of March 2020. The production and sales of the Company were impacted during the said period. The operations of the Company was impacted due to closure of manufacturing activities, disruption of supply chain, scarcity of labour, closure vendor offices across the country as well as closure of overseas customer offices.

Due to lockdown, the Company's plant suspended its operations for about a month and the Company's registered office also remained shut during said period. However, during the said period the Company has adopted work from home policy as per government guidelines and all office employees of the company are working from home during the lockdown period.

As per guidelines issued from time to time the Company has resumed the manufacturing operations and as well as its office toward end of April 2020.

The Company is taking utmost care of all workers/employee for protection of their health and safety. The Company is taking all safety measures and precaution at work place as per the guidelines issued by the Government.

The steps taken by the Company are as follow:

- Sanitize all work places and frequently sanitize all instruments at workplace.
- All workers/employee must wear face mask/cover and adequate stocks of face cover and hand sanitizers are made available
- Social distancing during the work and avoid mass gathering.
- Thermal scanning of all workers/employees.
- Staggering of work/business hours followed in offices and factory premises.

The management of the Company will closely monitor situation and take necessary steps as may be required from time to time.

Due to Lockdown and gradual relaxation thereafter has disturbed business operations in various aspect and the revenue from operations and profitability has been also impacted. At this point of time, it is difficult to estimate the impact of COVID 19 on our future operations.

Since the products of the Company are having multiple usage in various industries like paint, plastics, rubber, textiles, inks and various coatings; the business operations for the Company in general are likely to remain protected and insulated from the situation arisen due to COVID 19 and also lock down announced in our country as well as many parts of the world.

Barring unforeseen circumstances, in general the management of the Company expects to maintain its performance during the current financial year also since the products of the Company are being used for multiple industrial applications.

B. OPPORTUNITIES, THREATS, RISK AND CONCERNS

Your Company has gained its position in the domestic as well as international markets due to its quality products and continuous improvements which in turn has helped us to develop and maintain long term relationship with the clients and further supported us to spot for the new opportunities. This systematic approach has delivered favorable results for the Company to grow at the steady rate by creating sustainable demand from satisfied customer base and repetitive orders from them and in turn increased profitability.

The situation arisen due to COVID 2019 has impacted global economies and trade in multiple ways and will also have a far reaching impact. The global sentiments and economics will have an impact on the operations of the Company since the Company is concentrating on export markets. Besides that going forward, your Company also considers challenges and threats mainly on account of fluctuation in the prices of various raw materials which are linked to world petro products and commodity prices, foreign exchange fluctuations, environmental regulations, and general global demand situation. Availability of skilled manpower and contract work force would be another set of challenges to be managed carefully for the growth of the Company.

Your Company has identified the major thrust areas of sensitive business factors to concentrate on, which it believes to be critical for achievement of organizational goals. A well-defined structure has been laid down to assess, monitor and mitigate risk associated with these areas on a continuous basis.

C. OUTLOOKS FOR 2020-21

The management of the Company is putting all efforts to maintain and increase the demand for the products of the Company. Also various cost control measures at all level of operations have been designed and implemented. During past couple of years, the Company had incurred significant amount of capital expenditure on modernization of plant and factory building which will result in overall efficiency improvement, cost savings, increased tonnage of production. All these factors will drive the growth during coming years for the benefits of the Company. Barring unforeseen circumstances, the management is confident of delivering improved results during the coming years. The management is also exploring various expansion plans and opportunities to diversify for creating value chain of business.

D. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

We have a strong integrated internal control system which is deemed to be adequate considering the nature and scale of our class of business.

E. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO THE OPERATIONAL PERFORMANCE

During the year under review, your Company has achieved satisfactory financial results and details are provided in directors' report. The Company was also successful in export business during the year ended by achieving export turnover of Rs.29.34 Crores.

Independent Auditors' Report

TO THE MEMBERS OF ISHAN DYES & CHEMICALS LIMITED

REPORT ON THE AUDIT OF FINANCIAL STATEMENTS

Opinion

We have Audited the accompanying standalone IND AS financial statements of **ISHAN DYES & CHEMICALS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Profit and Loss Statement (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'standalone IND AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

a) VAT Refund:

The Company has outstanding VAT refund receivable aggregating to Rs. 60.24 Lacs in relation to the past financial years. This has been considered as Key Audit matter given the involvement of the management judgment and estimates since the same was recognized as receivable in the year in which the right to receive was established and any variation in actual receipt of the same may have an impact on the revenue. As part of audit procedure, we have obtained all the data regarding filing of the claims and made an assessment regarding the eventual reliability of the present claims.

b) Advance given for Capex:

The Company has extended advance of Rs. 226.78 Lakhs towards purchase of land for which necessary agreement to sell was entered by seller with the Company. This has been considered as Key Audit matter given the involvement of the management judgment as well as pre conditions for satisfactory title clearance for the said land and also obtaining of necessary no dues and no objections for sale of land by the seller. As part of our audit procedure, we have obtained all the Documents regarding said transaction but the completion of the transaction depends upon fulfillment of pre-condition by the seller and any non-fulfillment of pre-condition seller may adversely impact the proposed transaction for purchase of said land.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon:

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

1. Management's Responsibility For The Standalone Ind As Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the 'Act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are responsible for overseeing the Company's financial reporting process.

2. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report On Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its Ind AS financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts which may lead to foreseeable losses, although company enters into short term forward contracts to hedge against foreign currency movements. It has been appropriately disclosed in its financial.
 - iii. There the Company does not have any dues that are required to be transferred to the Investor Education and Protection Fund.
 - iv. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the

matters specified in paragraphs 3 and 4 of the Order.

The Independent Auditors’ Report on the Standalone Financial Statements of ISHAN DYES & CHEMICALS LIMITED

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date) REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUBSECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of ISHAN DYES & CHEMICALS LIMITED (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and whether such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded

as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and payments of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B”

Independent Auditors’ Report on the Standalone Financial Statements of
ISHAN DYES & CHEMICALS LIMITED

(Referred to in paragraph 2, under ‘Report on Other Legal and Regulatory Requirements’ section of our Report of even date)

Annexure to the Independent Auditors’ Report of even date to the members of Ishan Dyes & Chemicals Ltd. on the financial statements for the year ended 31st March 2020.

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

i. In respect of Company’s fixed assets:

- a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b. As Explained to us, all the fixed assets have been physically verified by the management at reasonable intervals. No material discrepancies between book records and the physical inventories have been noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
- c. According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.

ii. In respect of inventories:

- a. The inventories have been physically verified at reasonable intervals by the management.

NOTE 1: NOTES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

A.: CORPORATE INFORMATION:

The Company Ishan Dyes and Chemicals Limited was incorporated on 30th November, 1993 under the Companies Act, 1956 having CIN L24110GJ1993PLC020737 with its Registered Office at, "Plot No. 18, GIDC Estate, Phase I, Vatva, Ahmedabad - 382445". The Company is at present listed on BSE Limited (Bombay Stock Exchange). The Company is engaged into the business of manufacturing Copper Phthalocyanine Crude Blue (CPC Blue) and Pigment Blues. The manufacturing facility is located at Registered Office. The products of the Company are well established in the international and domestic market.

B.: SUMMARY OF BASIS OF COMPLIANCE, BASIS OF PREPARATION AND PRESENTATION, CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGMENTS AND SIGNIFICANT ACCOUNTING POLICIES:

B.1 BASIS OF COMPLIANCE

The financial statements comply in all material aspects with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the 2013 Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

B.2 BASIS OF PREPARATION AND PRESENTATION

The financial statements have been prepared under the historical cost convention using the accrual method of accounting basis, except for certain financial instruments that are measured at fair values at the end of each reporting period as explained in the significant accounting policies below.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the 2013 Act.

B.3 CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGMENTS

The preparation of the financial statements requires management to make estimates, assumptions and judgments that affect the reported balances of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates considering different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Impact on account of revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying values of assets and liabilities within the next financial year are discussed below.

C.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a): Property, plant and equipment (PPE IND AS 16)

These tangible assets are held for use in production, supply of goods or services or for administrative purposes. Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses except for freehold land which is not depreciated. Cost includes purchase price after deducting trade discount/rebate, import duties, non-refundable taxes, Net of Cenvat and VAT credit/GST input credit wherever applicable, cost of replacing the component parts, borrowing costs and other directly attributable cost of bringing the asset to its working condition in the manner intended by the management.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably. Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

Items such as spare parts, standby equipment and servicing equipment are recognised as PPE when it is held for use in the production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

The Company adjusts exchange differences arising on translation difference/settlement of long term foreign currency monetary items outstanding and pertaining to the acquisition of a depreciable asset to the cost of asset and depreciates the same over the remaining life of the asset. The depreciation on such foreign exchange difference is recognised from first day of its financial year

De-recognised upon disposal

An item of PPE is derecognised on disposal or when no future economic benefits are expected from use or disposal. Any gain or loss arising on derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss when asset is derecognised.

Treatment of Expenditure during Construction Period

Expenditure, net of income earned, during construction (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) period is included under capital work-in-progress, and the same is allocated to the respective PPE on the completion of construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other Non-Current Assets".

Depreciation

The depreciable amount of an asset is determined after deducting its residual value. Where the residual value of an asset increases to an amount equal to or greater than the asset's carrying amount, no depreciation charge is recognized till the asset's residual value decreases below the asset's carrying amount. Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the intended manner. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale in accordance with IND AS 105 and the date that the asset is derecognised.

The Company depreciates its property, plant and equipment (PPE) over the useful life in the manner prescribed in Schedule II to the Act. Management believes that useful life of assets are same as those prescribed in Schedule II to the Act, except for plant and equipment wherein based on technical evaluation, useful life has been estimated to be different from that prescribed in Schedule II of the Act.

The identified component of fixed assets are depreciated over the useful lives and the remaining components are depreciated over the life of the principal assets.

Depreciation on fixed assets added/disposed off during the period is provided on pro-rata basis with reference to the date of addition/disposal.

The assets residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

b): Investments

The Company reviews its carrying value of investments carried at amortised cost annually, or more frequently when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

c): Borrowing cost (IND AS 23)

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

d): Inventories (IND AS 2)

The inventory is valued as follows:

(i) Raw Materials	At Cost First in First out.
(ii) Stores and Spare parts	At Cost First in First out.
(iii) Finished Goods	Valued at lower of cost or Net Realisable Value
(iv) Work in Process	At cost by using absorption cost method.

As per normal practices the cost of finished goods includes all direct cost and normal fixed overheads. However, it does not include selling and distribution cost. Value of stock of finished goods at the date of Balance Sheet includes duties and taxes if any applicable.

e): Impairment loss (IND AS 36)

At the end of each reporting period, the Company reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit (CGU) to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss. Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Where an impairment loss subsequently reverses, the carrying amount of the asset or CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised in the Statement of Profit and Loss.

f): Employee benefits (IND AS 19)

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-employment benefits

1, Defined Benefit Plan

GRATUITY

The Trustees of Ishan Dyes and Chemicals Limited Employees' Gratuity Fund has a fund arrangement (cash accumulation policy) with Life Insurance Corporation of India (LIC) to administer its gratuity benefit scheme. The contributions towards the said funds which are as determined by LIC are charged to revenue each year. Company ascertains the Liability towards Gratuity at the year-end and provision for the differential amount between the liability determined on Actuarial Valuation and Fund balance is provided in the books of account.

2, Defined Contribution Plans

PROVIDENT FUND

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service.

g): Cash and cash equivalents (IND AS 7)

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

h): Foreign currency translation

The functional currency of Ishan Dyes and Chemical Limited (i.e. the currency of the primary economic environment in which the Company operates) is Indian Rupee.

On initial recognition, all foreign currency transactions are translated into the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss.

i): Revenue recognition (IND AS 18)

Revenue is recognised only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations are net of GST and adjusted for discounts (net).

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

Dividend income is recognised when the Company's right to receive the payment has been established.

j): Provision, contingent liabilities and contingent assets (IND AS 37)

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the financial statements.

k): Taxes (IND AS 12)

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

Minimum Alternate Tax is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised, it is credited to the Statement of Profit and Loss and is considered as (MAT Credit Entitlement). The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period. Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for a specified period of time, hence, it is presented as Deferred Tax Asset.

l): Financial instruments (IND AS 109)

i) Financial Assets

A. Initial recognition and measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

B. Subsequent measurement

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

a) Financial assets carried at amortised cost (AC)

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest

income from these financial assets is included in finance income using the effective interest rate method.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income ('FVTOCI'). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains or losses which are recognised in Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised as gains/ (losses) within other income or other expense. Interest income from these financial assets is included in other income using the effective interest rate method.

c) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognised in profit or loss and presented net in the Statement of Profit and Loss as gains/(losses) within other income or other expense in the period in which it arises. Interest income from these financial assets is included in other income.

C. Investment in equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as Other Income when the Company's right to receive payments is established. Changes in the fair value of financial assets at FVTPL are recognised as gains/(losses) within other income or other expense in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

ii) Financial liabilities

A. Initial recognition and measurement

The Company's financial liabilities comprise borrowings, trade payables and other liabilities. These are initially measured at fair value, net of transaction costs,

B. Subsequent measurement

Subsequently measured at amortised cost using the effective interest method. The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

m) Cash Dividend to Equity Holders of the Company:

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

n) Fair Value Measurement (IND AS 113)

The Company measures financial instruments, such as investments (other than equity investments in Subsidiaries, Joint Ventures and Associates) and derivatives at fair values at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

o): Events occurring after the balance sheet date (IND AS 10)

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

Dividends declared by the Company after the reporting period are not recognized as liability at the end of the reporting period. Dividends declared after the reporting period but before the issue of financial statements are not recognized as liability since no obligation exists at that time. Such dividends are disclosed in the notes to the financial statements.

Notes:

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realised. The ultimate realisation of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realise the benefits of those deductible differences. The amount of the deferred income tax assets considered realisable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.
